EXPLORE THE COMPONENTS OF FAITH FUSION

The student book is structured around **20 core sessions** and **organized into four units**. Each unit corresponds to one of the four pillars of the Catechism of the Catholic Church. The **catechist guide includes everything needed to prepare and teach each session** along with questions and answers to reinforce the session content. Includes a Church history timeline featuring key events in the 2,000-year history of our faith mirrored against events from world history. Great People of the Bible showcases Bible heroes from the Old and New Testaments.

“ Faith Fusion is perfect when one is in transition, such as during Sacrament preparation, RCIA, high school youth ministry, or entering faith formation for the first time. ”
